World Book Day 2025

Year 4 Falcons

We took advantage of the sunshine and took our Book Club outside. Sat in the sunshine, we talked about our favourite books and made reading recommendations.

We dressed up as our favourite character from books, who made it into animations or movies

## Dan Worsley Writing Workshop!

The children were lucky enough to work with a local author, who came into school and offered support and inspiration to all classes from Year 3 to Year 6. Engaging activities, storytelling and drama were all part of each session and some wonderful pieces of work were written as a result. We cannot wait to work with Dan again!

## Dan Worsley Author Visit

The children were lucky enough to work with a local author, who came into school and offered writing support and inspiration to all classes from Year 3 to Year 6. As part of his visit, Dan also read out and performed extracts from some of his books in an assembly - which had all of the children hooked! During their writing workshops, the children read out other extracts from Dan's collections which they did with confidence and flair; they explored and discussed grammatical features used within these extracts following reading activities. A wonderful day for both writing and reading!
