

DT Year 3

Seasonal food

We completed our DT unit all about Seasonal food.
We looked into what foods are in season in different parts of the world during different months.

We looked at different cutting techniques including grating, slicing and chopping.

We even looked at meat alternatives and discovered they can provide the same amount of protein as meat does. We rated how our Quorn sausages tasted!

Marsh Green Primary School

Headteacher - Mrs G Leigh :: Deputy Headteacher - Mr C Todd
