

Summer Newsletter

Year 2 Jays

What's new this term?

In Maths, we will be continuing our work on finding fractions of objects and amounts. We will then move onto telling the time, understanding statistics and using positions and directions.

In English, we will be using our persuasive writing skills learning all about 'The Last Wolf' before expanding our knowledge and reading Shakespeare's 'The Tempest.'

In History we will be entering life in 1666 and finding out all about The Great Fire of London. In music, we will be using myths and legends to discover musical structures.

In Science we are learning all about animals including humans and taking part in some exciting experiments!

We will be creating clay sculptures in Art and model fairground wheels in Design Technology. In Computing we will discover the world of digital music and programme our own quizzes.

In PSHE we will be learning about economic well-being and we will also be preparing for our transition into Year 3. and in R.E. we will be answering the questions 'What unites the Christian community?' and 'What aspects of life really matter to Jewish people?'

Our PE days are:

Friday.

Reading afternoon: Every Thursday at 3pm.

Aim to read at least 3x a week at home but bring books/diaries into class every day.

Homework grids will be sent out for Summer term.

Use Class Dojo for any messages/updates.

Reading is the **KEY** to learning
