

Marsh Green Primary School – Homework Grid

Summer Term Homework – Year 6

Here is an exciting set of activities to help your child's learning 'stick' in their memory. Please complete two (or more) activities from each subject before we break up for Summer. This is not mandatory but will help your children to widen their knowledge around these subject areas and have some fun too!

Subject area	Activities
Speaking, Listening and Writing	<ol style="list-style-type: none">1. Write a review of a computer game. - What is the aim? How do you score points? Who is the game suitable for?2. Learn a poem to recite to the class based on a fable/myth.3. Write a diary entry as Greta Thunberg if she were to visit our school. Think about activities she may like to do during the day and what you would show her.4. Why is Carl Linnaeus famous? Create a fact file about him and his findings.
Problems, Science and Maths	<ol style="list-style-type: none">1. Who was Pythagoras? How is he linked to maths? What is Pythagoras' theory? Present your findings - use diagrams to explain what you have learnt.2. Research an animal which has adapted to its environment. The more unusual, the better.3. Find evidence of percentages, decimals and fractions in real-life!!! Make yourself a maths collage.4. How can we stay healthy? Keep a diary for a week that highlights all your healthy choices.
Art and Design	<ol style="list-style-type: none">1. Take a sketchbook or some paper and draw or paint a self portrait2. Make a collage using pictures from holiday brochures or the internet showing ancient buildings and interesting place to visit in Mexico3. Recreate a portrait of a famous person from Spain.4. Try to draw sports characters https://www.youtube.com/watch?v=jsgR5QIvFh8&ab_channel=ChristopherHart
Constructing and Creating	<ol style="list-style-type: none">1. Build a model of a Mayan Temple - add decoration to the inside.2. Write a Marsh Green Rap to remember your time at school.3. Create an All About Me file to introduce yourself to your new teachers at secondary school.4. Create a junk model of the Galapagos Islands or HMS Beagle.
