Welcome Back

How lovely it has been to welcome everyone back to school. Thank you for sending your children with smart uniforms—they have made me so proud! All the children have settled well into their new classes and we are looking forward having all our Early Years children join us from Nurseries and Reception over the next couple of weeks.

Daily Mass Mile

Next Wednesday across Wigan, as many people as possible invited to take part in running a mile. We have been lucky to be chosen to have 'Nutty the Squirrel' running with us. All children will be encouraged to run or walk the mile route throughout the morning. Please cheer us on if you see us!!

Stay and Learn

Over the next few weeks you will be invited to attend a Welcome meeting in your child's class to find out about the things they will be learning over the next year and what is expected during their time in that Year group. Please come along to find out more.

Staffing 2017-18

New Building

As you are aware we now have two Reception classes and two Year 1 classes, which is why we now have an extra portacabin. This is a temporary arrangement until the school extension is completed. Work has begun on providing a new playground. We are expecting building work to start over the next few weeks. Unfortunately there has been a slight delay due to planning Permissions. We are working closely with the builders to ensure school remains a safe and secure site for all our children, staff and families.

Debt Policy

Sometimes it can be easy to get behind with payments for things such as school meals and nursery fees. Unfortunately school cannot manage such financial situations so from the start of term all money MUST be paid in advance to help prevent debts from building up. This includes money for Breakfast club, school meals and Nursery fees. School will be unable to subsidise any trips for families where money is outstanding. If you have any concerns over making payments please see Mrs Leigh or Mrs Bayley as soon as possible so we help with a plan.

Theatre

Next Wednesday we are thrilled to offer children the opportunity to watch a live production of The Lion, the Witch and the Wardrobe from M&M Theatres. Children have been learning about the characters in class and seeing these on stage will really bring their learning to life. We are asking for a £1 donation for the children to watch this.
