Welcome Back for the start of a new school year.

New School Year

Well we made it! After almost 12 months we welcomed children into our new building. The builders worked so hard to complete the inside of the building and the staff worked so hard to turn the empty shell into a fabulous environment. Jobs will continue over the next half term and there will continue to be some changes but these are designed to enhance and improve what we can offer. Once the majority of work is complete we look forward to enabling parents to come and see our new state-of-the-art building. We now have the most up-to-date school building in Wigan!

New Path and Playground

The builders are working hard to complete a new playground area outside Year 3, Year 4 and Year 5 classrooms allowing access directly from their classroom doors. They are also working on a new path enabling access to the school site from Heyford Road. These should be completed in the next couple of weeks. Thank you for your patience with the current drop off and collection system at the moment.

Staffing 2017-18

Toast and Snacks

It has been disappointing to learn of some very negative comments regarding the snack service we offer. If any parent has and feedback then please come to see Mrs Leigh or your child's teacher where we can have an informal discussion and address any concerns. I assure you we make no money from our charges for toast and snack - this helps pay towards staffing to make and distribute it. We are delighted that we have secured funding to offer every child a piece of bagel in a morning for free. This will be starting after half term and there will no longer be the need for toast to be offered at playtime.

Stay and Learn Sessions

We are looking forward to welcoming parents into their child's class to join in with learning. Classes will be open every Wednesday from 9-9:30am. We just have to wait until all can be accessed straight from the playground. This was very successful last year in Mrs Whittle's Year 2 class so we have extended it across all age groups.

Theatre

Next Thursday we are thrilled to offer children the opportunity to watch a live production of The Hobbit from M&M Theatres. Children have been learning about the fantasy stories in class and seeing an example of this on stage will really bring their learning to life. We are asking for a £1 donation for the children to watch this.
